Problem Solving, Team work, Adaptability, Communication, Leadership

EXTRA CURRICULUM ACTIVITY

Class President & Placement Coordinator
As class president, I represent students, organize events, and bridge communication with faculty. As placement coordinator, I connect students with job opportunities which come in our college. I collect information from students & relay it to the TPO.

LANGUAGES

English | Hindi | Marathi | Gujrati

PROJECTS

IRCTC Booking Functional & Nonfunctional Testing 🔗
Tools: Excel
I Tested the IRCTC ticket booking system, focusing on ticket search, booking, and payment modules. Conducted functional testing to ensure smooth user interactions and non-functional testing to assess performance under heavy traffic, load, and security conditions. Identified and resolved critical issues to enhance system reliability and efficiency.

Calculator Operations Validation Suite 🔗
Tools: Excel
Tested a calculator application by validating basic operations like addition, subtraction, multiplication, and division. Used boundary value analysis and equivalence partitioning to ensure accurate results. Conducted UI testing to check usability and compatibility across devices, identifying and fixing issues to improve overall performance. This version is easier to understand while still covering the key aspects of your testing work.

Cozy Coffee Shop Website
Technologies: JavaScript, HTML, CSS
Description: Designed and developed a website for a coffee shop to showcase menu items, events, and loyalty programs.
Testing Contribution: Performed functional testing and usability testing to ensure seamless user experience.

Career Document Design Website
Technologies:PHP, JavaScript HTML5, CSS3, Bootstrap
Description: Developed a web application to assist job seekers in creating professional and visually appealing resumes.
Testing Contribution: Designed and executed test cases for user registration, authentication, and PDF download functionalities. Ensured cross-browser compatibility and responsiveness.

CERTIFICATES

Software Testing 🔗
A software testing certificate validates foundational knowledge of software testing principles, methodologies, and tools.

Web Developer
A web development certificate validates proficiency in designing, building, and maintaining websites and web applications using various programming languages and technologies.

SQL Certificate 🔗
Earned SQL certification from HackerRank, demonstrating proficiency in database management and query optimization.

Git & Githhb. 🔗
A Git & GitHub certificate demonstrates proficiency in version control using Git and collaborative software development on GitHub.
